Direct account inquiries to CoreFirst Bank & Trust: 3035 SW Topeka Blvd. • Topeka, KS 66611 • 1-800-280-0123.

In Case of Errors or Questions about your Electronic Transfer

Telephone us at (800) 280-0123 or write us at 3035 SW Topeka Blvd., Topeka, KS 66611, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- 1. Tell us your name and account number (if any).
- 2. Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- 3. Tell us the dollar amount of the suspected error

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you have use of the money during the time it takes us to complete our investigation.

Computation of Interest Charge

We figure the interest charge on your account by applying the periodic rate to the daily balance of your account for each day in the billing cycle. To get the daily balance we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits. This gives us the daily balance. Since the interest charge continues to accrue on your balances subject to interest after the statement closing date until all loan(s), interest charges and other charges are paid in full, future statements may show an interest charge is due even if you pay the entire balance subject to interest rate amount show above.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at the address referenced above on this page as soon as possible. In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

To Balance Your Account

Utilize your statement and your up-to-date checkbook entries to complete the form below.
Once balanced, the Statement Total and the Checkbook Total should be equal.

Statement Information	Checkbook Information
Statement Balance \$ _____	Checkbook Balance \$ _____
Subtract total CHECKS & WITHDRAWALS <u>not</u> listed on statement -\$ _____	Subtract total SERVICE CHARGES & FEES listed on statement -\$ _____
Add total DEPOSITS & CREDITS <u>not</u> listed on statement +\$ _____	Add total INTEREST PAID listed on statement +\$ _____
Total \$ _____	Total \$ _____
